

Training Made Easy Control Of Substances Hazardous to Health (COSHH) Awareness

COSHH Awareness

Course overview

The Ligtas Control Of Substances Hazardous to Health (COSHH) Awareness course will enable learners to have increased awareness of the dangers associated with working with hazardous substances.

Book online

How long will it take?

There are half-day and full-day course options.

Certification

Delegates are awarded the Ligtas Certificate in COSHH Awareness.

Who is the course for?

The Ligtas COSHH Awareness short course is for all employees who work with or are likely to work with hazardous substances.

Learning outcomes

Completion of the Ligtas COSHH Awareness course will allow learners to understand the following:

- Explain the reasons for conducting a COSHH assessment
- · Identify what constitutes a hazardous substance
- Evaluate the risks arising from hazardous substances
- Apply suitable control strategies to help manage risks

COSHH Awareness

Course options Online eLearning

Online learning offers flexibility for personal development, overcoming barriers like busy work environments. It allows learning anytime, anywhere, accommodating individual schedules and balancing work and family life. With self-paced courses and flexible start times, it's adaptable to various commitments, providing ample time for completion.

Book Online

Virtual

The live classroom courses on Microsoft Teams offer the advantages of in-person training, allowing learners to engage with content and peers. Ligtas Virtual Training combines eLearning flexibility with tutor support through online sessions. Access course materials and interactive activities on the Ligtas LMS at your convenience, supplemented by scheduled virtual classroom sessions for a traditional training experience online.

Contact us for more information

Classroom

Immerse yourself in an interactive learning experience. The classroom option provides the perfect opportunity to engage directly with expert instructors, participate in group discussions, and benefit from hands-on practical exercises. Ideal for those who value real-time feedback and a structured learning environment. **Book here**

We also offer closed courses delivered at clients' premises, contact us for more information.
