Fire Safety Awareness

Course overview

The Ligtas Fire Safety Awareness Course complies with current legislation, specifically the Regulatory Reform (Fire Safety) Order 2005. This law applies to all workplaces, regardless of the number of employees, and mandates that employers provide adequate fire awareness training for all staff members.

Book online

How long will it take?

This is a one-day course.

Certification

Delegates are awarded the Ligtas Certificate in Fire Safety Awareness.

Who is the course for?

The Ligtas Fire Safety Awareness short course is aimed at all employees to help them identify and reduce the risk that fire presents in the workplace.

Learning outcomes

Completion of the Fire Safety Awareness course will allow learners to identify fire hazards, prevention, and precautions. Introducing the fire triangle participants will learn about the importance of managing fire risks in the workplace.

Fire Safety Awareness

Course options

Online eLearning

Online learning offers flexibility for personal development, overcoming barriers like busy work environments. It allows learning anytime, anywhere, accommodating individual schedules and balancing work and family life. With self-paced courses and flexible start times, it's adaptable to various commitments, providing ample time for completion.
