ENABLING SAFE ENVIRONMENTS

HEALTH AND SAFETY TRAINERS

ABOUT LIGTAS

Ligtas Consultancy & Training is one of the UK's leading health and safety consultancies.

Come and join Ligtas in providing health and safety expertise – for people who care about keeping people safe.

You can't keep people safe by simply ticking a box, and compliance does not always equal safe, which is why our services and training focus on supporting our clients to create and maintain safe environments – providing peace of mind that risks are controlled.

We care for our clients and partnering with them to ensure safety and compliance is part of who they are and how they operate.

It's an exciting time to work alongside Ligtas as we further develop our client-focused value-adding services and continue to invest in people, processes and software systems.

Ligtas are a NEBOSH Gold Partner.

Send your CV and cover letter to andrew.regel@ligtas.co.uk and tell us about yourself, what you can bring to our team and what motivated you to apply

With over 30 years of experience in the consulting sector. Ligtas teams deliver online and classroom training alongside customer focussed audits, risk assessments and general consultancy advice to enable safe environments for our clients across the UK.

HEALTH AND SAFETY TRAINERS

Due to increased demand for our services, Ligtas is looking for dedicated and knowledgeable Health and Safety Trainers and Associate Trainers to join our team. The ideal candidates will be responsible for conducting comprehensive health and safety training courses for our clients, ensuring that our clients are well-equipped with the necessary skills and knowledge to maintain a safe working environment.

THE ROLE

Ability to work flexibly within a dynamic environment and have experience in delivering IOSH and NEBOSH courses.

Chartered Membership of IOSH (CPD maintained) and PTLLS (or equivalent) is desirable.

The successful candidate will need to:

- Stay up-to-date on industry best practices, regulations, and standards
- Evaluate the effectiveness of training sessions by collecting feedback from participants and analysing data to identify areas for improvement
- Collaborate with other trainers and team members to share knowledge
- Maintain accurate records of training sessions, participant attendance, and course evaluations, providing regular reports to management as needed
- Participate in ongoing professional development opportunities to maintain current knowledge and certifications in the health and safety field

Competitive salary and benefits / Competitive rates for associates.
