Book Online

How long will it take?

You should plan your study around a minimum of 28 taught hours and approximately 20 hours of private study.

Certification

The NEBOSH HSE Certificate in Process Safety Management is assessed by a 90-minute exam consisting of 40 multiple-choice questions completed online.

Who is the course for?

The HSE Certificate in Process Safety Management is a technical qualification. There are no specific entry requirements but the course does assume a certain level of knowledge.

This course assumes those taking the course will have a good understanding of general health and safety. It is therefore highly recommended that students hold the NEBOSH International General Certificate or equivalent before studying the NEBOSH HSE Certificate in Process Safety Management.

NEBOSH HSE Certificate in Process Safety Management
