We offer competitive compensation, comprehensive benefits, and a supportive, inclusive work environment. But more than that, we offer the chance to be part of something bigger than yourself: a movement to create a safer, more sustainable world for all.

If you're ready to make a difference and help us change the face of health and safety, apply today and join our mission to create a safer world.

*Join Ligtas And Be Part Of A Dynamic, Innovative Team,
That Are Changing The Face Of Health And Safety*

FIRE DOOR INSPECTOR / PASSIVE FIRE PROTECTION INSPECTOR - THE ROLE

You will be based at home with regular travel, including some overnight stays, working closely with other Ligtas team members. You will deliver excellent services to clients across a variety of sectors, including property, manufacturing, retail and banking. You will be client-focused, optimising performance to achieve the best results.

To undertake fire door inspections and fire compartmentation surveys across a variety of property types ranging from residential, healthcare, retail, industrial, infrastructure, education and commercial.

We are looking for someone to be responsible for the management and on-site completion of fire door inspections and passive fire protection surveys; someone who can ensure works are fully completed whilst ensuring a high level of customer service is provided and contributing to the overall objectives and success of the business.

Reporting to the operations team, you would:

- Carry out fire door inspections and have completed reports/ documentation returned to the office for processing accurately and on time
- Carry out passive fire protection surveys and have completed reports/ documentation returned to the office for processing accurately and on time
- Ensure the jobs are delivered on time and within budget

PERSONAL DEVELOPMENT OPPORTUNITIES

In addition to your salary and benefits, you will have the opportunity for career growth in the field of Health & Safety consultancy.

We will support you in pursuing professional certification and accreditation in areas such as health & safety, fire safety and water management through recognised bodies, e.g. NEBOSH, IOSH and The Water Management Society.

You will also benefit from mentorship, coaching, seminars, workshops and other training courses to stay up to date with the latest developments in the industry.

THE IDEAL CANDIDATE

Essential

- A good understanding of Fire Doors & Fire Stopping principles
- FDIS (Fire Door Inspection Scheme) or equivalent training and/or experience (If not currently holding qualification, then training can be given)
- Experience in delivering fire door surveys
- Experience working in the door sector with excellent technical knowledge of doors and associated products
- An organised and planned approach to work, with the ability to meet deadlines
- Excellent communication and customer service/ people skills
- Be able to work as part of a team but have the initiative to work independently
- IT Literate with good working knowledge of Microsoft platforms and mobile app platforms for report writing.
- Full UK driving license
- Willing to increase knowledge and skills

Send your CV and cover letter to enquiries@ligtas.co.uk and tell us about yourself, what you can bring to our team and what motivated you to apply.

ABOUT LIGTAS

Ligtas Consultancy & Training is one of the UK's leading health and safety consultancies.

Come and join Ligtas in providing health and safety expertise via consultancy, training, and software solutions – for people who care about keeping people safe.

You can't keep people safe by simply ticking a box, and compliance does not always equal safe, which is why our services focus on supporting our clients to create and maintain safe environments – providing peace of mind that risks are controlled.

We care for our clients and partnering with them to ensure safety and compliance is part of who they are and how they operate.

It's an exciting time to join Ligtas as we further develop our client-focused value-adding services and continue to invest in people, processes and software systems.

When you join Ligtas, you become part of a team that thrives on the collective strength of its members. Together, we work towards creating safer environments, championing health and safety, and leaving a positive impact on the lives of others.

Your future starts now. Apply today and embark on a fulfilling career journey!
